

Make your shopping centre available for everyone!

Mart Carts give your centre a complete and modern customer service

Mart Carts:

- Make all shops in the centre easier to visit and reduce the difficulty many shoppers experience with long distances.
- Allow customers to shop with greater speed and efficiency in large shopping areas.
- Allow customers with injuries causing impaired mobility to shop everything at one location- faster and simpler
- Provide increased revenue and profit
- Give positive profile and media recognition
- Provide Shopping Centre's with a modern customer service feature
- Provide a modern solution for large stores and centre's at low monthly rental including insurance and service
