

SHOPPER'S AID™
By MART CART

Shopper's Aid – A secure and hygienic solution when shopping with children

This multipurpose solution is a flexible shopping tool for all types of department stores, grocery stores, malls, DIY stores and shopping centers

Every year thousands of children get injured while they are visiting stores and shopping centers using shopping carts.

Shopper's Aid is the only solution in the market for shopping with 2 children and can be used for age groups from 0-7 years. Our Baby Carrier - a practical solution for using your own personal car infant seat is unique. This shopping tool is important to satisfy your customer groups with children. In addition it is a secure and hygienic solution.

Safety belts for both children, special baby seat carrier with a safety strap and a special foot brake making the shopping experience safe and relaxing for the whole family.

Shopper's Aid can be equipped with a Systec CardLock or CoinLock to make your lend out easy and with little or no administration.

Shoppers Aid is ideal for:

- Providing secure seating (with safety belts) for 1 or 2 children
- Securing a baby in their own car seat.
- A toddler can ride in the shopping cart seat and the infant in the safe Shopper's Aid Baby Carrier using their own car seat.
- An adult can ride easily in the Shopper's Aid seat (The children's entertainment center can be removed in seconds)

Functionality and special advantages:

- Shopper's Aid II can be attached in only seconds to most types of shopping trolleys with our unique wheel receivers
- Shopper's Aid I offers a U-bolt mounting style that offers flexibility
- Shopper's Aid can be attached in different ways to adjust the total length, making them very versatile.
- Shopper's Aid is very maneuverable and can turn around within it's own length
- Steel arm rests provide conform and security for children and adults.
- Shopper's Aid design affords additional storage space under the seat to place purses, diaper bags and more.
- Seats are made of ABS plastic and are fade resistant. As well as, hygienic and easy to clean.
- Baby Carrier allows you to use your own baby's car seat making shopping hygienic for your child. Easy to use, Just fold down the back of the Shopper's Aid seat and set your child carrier on it. Then secure with safety belts.
- Shopper's Aid has a solid steel frame for longevity and an anti-slip coating on the foot plate for safety.
